BREAKING THROUGH THE CLOUDS

By Heather A. Taylor

The inspiring true story of 20 women, including Amelia Earhart, who raced across America in 1929. This award-winning documentary is currently airing on PBS. It was directed, produced, and written by Heather A. Taylor.

With just a compass and a road map to guide them, Amelia Earhart and 19 other brave pilots defied convention by taking to the skies and racing across the country for the first Women's National Air Derby. Facing cultural stereotypes, mechanical failures, threats of sabotage, navigational challenges, and endless chicken dinners, the women became pioneering legends in aviation. Their story is inspiring to anyone who has the courage to follow their own dreams.

The DVD is \$25 and available for purchase [here](#). It is also available on [Vimeo](#).
