reclaiming your power as an artist **Greative** Resilience

Ginsberg's Creative Resilience: Reclaiming Your Power as an Artist

Aimed at artists and other creatives, **Erica Ginsberg's** book is the perfect read for the holidays and to jumpstart new year's resolutions. Creative pursuits—whether a paid profession, a side hustle, or a leisure activity—can bring joy and meaning to the lives of artists and audiences. But they also bring challenges of motivation, confidence, blocks, and the realities of rejection. *Creative Resilience* provides guidance for anyone navigating these challenges from those who have been there. The book includes relatable real-world examples from creatives across disciplines, ages, and stages of their careers, including dancers, musicians, writers, painters, and filmmakers interviewed specifically for the project (including WIFV members

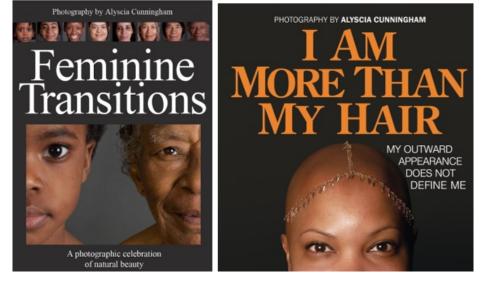

Alyscia Cunningham and Amy DeLouise). The author also cites her experiences as an artist and arts administrator along with a mix of humor, linguistic reframing, and reflective exercises to give readers tools to manage aspects of the creative process and creative life, including time management, dealing with creative blocks, procrastination, self-confidence, and many other such challenges. Learn More About the Project and Follow the Companion Blog here.

Available at Barnes & Noble, Bookshop.org, and Amazon. Get your copy here.

Book Launch, December 14, 7:00 pm, Silver Spring Civic Center, 1 Veteran's Plaza

Cunningham's Photography Books focus on Women

Feminine Transitions: A **Photographic Celebration of** Natural Beauty, unmasks women from their makeup to exquisitely demonstrate that, by definition, each phase of the courageous life journey called

womanhood—the early AND the late—is, in its own unique way, naturally beautiful. The book featuring a series of portraits that reveal the subtle elegance and honest beauty of human female faces ranging in age from 7 weeks to 103 years. \$44.95 - only 10 copies left **Purchase here**.

From the time we are young, girls are pressured into a set belief of beauty standards. Hair is certainly high on the list and is often labeled as our "crown and glory." Where does this notion fit for females with alopecia (hair loss)? *I Am More Than My Hair* is a documentary film and photography book that includes stories of women who have experienced hair loss due to a health-related condition and their journey of self-empowerment to see beauty beyond the media's standards. \$39.95 Purchase here.

Other gift items can be purchased at Alyscia's shop here.

Hand's Becoming A Warrior

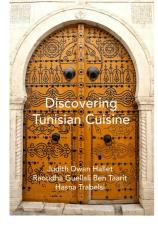

Becoming a Warrior is the triumphant memoir of a shy, 10year-old girl with a dream who perseveres for 50 years to make that dream come true—to bring Madeleine L'Engle's beloved children's classic *A Wrinkle in Time* to the screen. Working in the worlds of politics and entertainment, **Catherine Hand** learned lessons that gave her the courage and strength to navigate through personal tragedies and professional hurdles. *Becoming a Warrior* is a treasure trove of wisdom and advice for anyone with a dream. Catherine was one of the two producer's of Disney's A WRINKLE IN TIME released in 2018.

Order the book in various formats from Amazon here.

I wish every young person starting their careers could read this book. It is full of incredible advice from wise people who have tapped into the universe. Lynne Hale, Former Vice President Publicity/Communication, Lucasfilm Ltd.

Cookbook and Memoir from Hallet

In Tunisia, women are generally the cooks and reign in the kitchen. Raoudha and Hasna are no exception. They From Groucho to Gauchos: Adventures of a Documentary Filmmaker describes the life of Judith Dwan Hallet

love to cook, and they took great pride in sharing their family recipes with me. In many ways, *Discovering Tunisian Cuisine* is a personal journal recording **Judith Dwan Hallet**'s time with two

fabulous women in their kitchens. Order here.

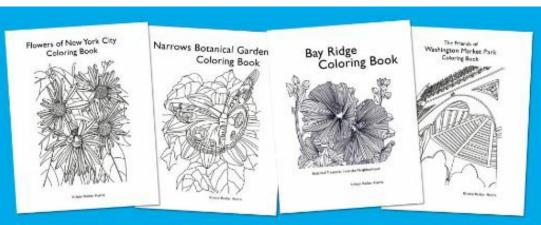

and the unique peoples and cultures she encounters during a five decade career. When Hallet began making films, it was a man's world. Never deterred, always determined,

Hallet's passion for recording the stories of people and their cultures, documenting their lives, concerns, joys and disappointments, drove her to continue, despite the obstacles placed in her way. Order here.

Mack's New Mystery Series

Unlicensed private eye and Marine veteran Erica Jensen works as a "researcher" on various dubious assignments, while battling PTSD and an opioid addiction. But when a wealthy man hires her to find his missing daughter, Erica ends up with more than she bargained for: a murder victim and unwanted attention from the killers. Erica may have survived combat, but will she survive this case? *Damaged Goods*, written by **Debbi Mack**, was nominated for a Shamus Award in 2021. You can buy it from these **retailers or order directly from Debbi's online bookstore here**. She's at work on the third book of the Erica Jensen series so it's a great time to dive in!

Hutchins' Born Beautiful Biracial

Written by **Tanya Hutchins**, with a Foreword by Olympic Gold Medalist Dan O'Brien, *Born Beautiful Biracial* is a compilation of children's essays with advice for kids who are asked questions about their racial and ethnic backgrounds: "What are you? Are those your parents? Are you adopted?" This book serves as an inspiration for biracial children and teenagers, as well as those who are not biracial, but want to learn about those who are different than them. **Order your copy here**.

WORKBOOK & JOURNAL: By Felicia Pride

Pride's New Workbook & Journal

Felicia Pride recently released "The Creative Comeback," a workbook and journal to help creatives across mediums to get back on track with the guidance, inspiration and accountability they need to create more authentically, consistently and on the path to living their wildest creative dreams! Inspired by her own journey of going from a struggling creative living in D.C. – to being staffed in the writers' rooms of hit television shows in Hollywood, selling TV shows and films to the likes of Netflix, Amazon, FX, Universal, and Sony, she drops gems on how any creative can go from creative rut to creative comeback. Preview THE CREATIVE COMEBACK here and purchase it here.

The 30-day book is uniquely designed to help artists ditch the hustle-burnout lifestyle and discover how to shift your mindset and relationship with the work to develop a solid creative practice, stay on track and meet their goals in an attainable way. "The Creative Comeback" guides creatives on how to get free from procrastination, eliminate writer's block, excuses, anxiety, fear, and doubt that stand in the way of getting the work done.

Children's Picture Books by Perz

Children's picture books make great gifts for Christmas, baby showers, and birthdays! *Crystal's Rainbow* is the story of a caterpillar who longs to fly. As she learns how to take care of herself and manage frustration, she grows into a beautiful butterfly! It's a great book about self-care and anger management for any age! Beautiful illustrations blend watercolors with nature photography and real bunnies! **Order here**

The 6-book *BunnyFriends* series about social emotional learning—empathy, communication, conflict resolution, and cooperation—as real bunnies save Easter for children around the world by learning how to work together when the Easter bunny gets sick. The series includes social emotional vocabulary in the back! Written by **Susan Perz**,

Captions for 11 languages can be chosen, for the titles and lyrics. Gives you the "theater" experience in the home setting.

Poor Gal by Dan Gutstein

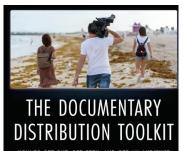

Poor Gal: The Cultural History of Little Liza Jane chronicles the origins and evolution of a folk tune beloved by millions worldwide. **Dan Gutstein** delves into the trajectory of the "Liza Jane" family of songs, including the most popular variant "Li'l Liza Jane." Likely originating among enslaved people on southern plantations, the songs are still performed and recorded centuries later.

New genres and a slate of stellar performers broadly

adopted these folk songs. In 1960, to an audience of more than thirty million viewers, Harry Belafonte performed "Little Liza Jane" on CBS. The song was featured on such popular radio shows as Fibber McGee & Molly; films such as Coquette; and a Mickey Mouse animation. Hundreds of recognizable performersincluding Fats Domino, Bing Crosby, Nina Simone, Mississippi John Hurt, and Pete Seeger-embraced the "Liza Jane" family. David Bowie even released "Liza Jane" as his first single. Gutstein documents these famous renditions, as well as lesser-known characters integral to the song's history. Drawing upon a host of cultural insights from experts-including Eileen Southern, Carl Sandburg, Thomas Talley, LeRoi Jones/Amiri Baraka, Charles Wolfe, Langston Hughes, and Alan Lomax—Gutstein charts the cross-cultural implications of a voyage unlike any other in the history of American folk music. Listen to the Poor Gal Spotify playlist (40

songs, from 1917 to 2021) Pre-order sale in progress here.

Gordon's Doc Distribution Toolkit

Mapping out a diverse journey through documentary distribution, *The Documentary Distribution Toolkit: How to Get Out, Get Seen, and Get an Audience* is a comprehensive global how-to reference guide written by **Rachel Gordon**.
