SPONSORSHIP PROPOSAL

Join us on April 23, 2026, for a very special evening honoring trailblazing women of vision. Past recipients have included a broad range of women working in broadcast news, feature films, documentaries, and advocacy work in positions in front of and behind the camera. All have enriched human experience through their storytelling. Their creative and technical achievements in media and the caliber of their work on- and off-screen firmly establish them as WIFV role models to be recognized.

The 2026 Women of Vision honorees include **Kate Beyda**, Executive Vice President of Physical Production at New Line Cinema, **Phylicia Rashad**, actor/producer/director, and one other honoree who will be confirmed soon.

The 2025 honorees were Cinematographer/Director **Rachel Morrison**, Director/Producer **Robin Noonan-Price**, and Writer/Director/Showrunner **Felicia Pride**. The program was moderated by **Linda Holmes**, NPR Pop Culture Correspondent.
